"I have just successfully completed my first ILEX course, which I studied by distance learning with ITC. I found my tutor to be an excellent help during my studies. She was very prompt at returning assignments, positive, encouraging and friendly. The comments she added to my assignments were really useful and helped massively. I also thought that the assignments were very useful in that they were challenging enough to properly prepare me for the real exam.

Overall, the ILEX course so far has exceeded my expectations in all aspects."

TERMS AND CONDITIONS

Access to the Student Area: No refund or compensation will be given for periods of non-availability of the Student Area or any of its features.

Command of written English: If English is not your first language, we recommend that you do not embark on an ITC course at Level 3 unless you have a First Certificate in English or equivalent qualification. We reserve the right to terminate the course of any student whose written English does not meet this standard. If your first language is not English we recommend that you do not enrol on a Level 6 course without first having studied with us at Level 3.

Contract: The laws of England and Wales shall apply in all respects and the courts of England and Wales shall have exclusive jurisdiction.

Copyright: Copyright in all course materials remains that of ILEX Tutorial College (ITC). Any unauthorised reproduction or transmission of any part of the course materials, whether electronically or otherwise, will constitute an infringement of copyright. No part of the materials may be lent, resold or hired out for any purpose without the prior written permission of ITC.

Course fees: Discounts on combinations of courses which attract a lower fee when purchased together can only be given when courses are purchased at the same time in the same transaction and cannot be given retrospectively.

Course elements not taken up: No partial refund or discount will be given for any course elements that are not taken up, such as the induction day or face-to-face revision tuition.

Duration of course: Course fees include tuition and access to the Student Area and other course resources for fifteen months from the date of enrolment.

Email address: You are required to have an email address.

Exam entry: You are responsible for applying to ILEX to enter your exam. Enrolment with ITC on a course does not constitute exam entry.

Face-to-face revision tuition: The entitlement to a Level 3 revision session or Level 6 revision course relates only to revision sessions/courses which occur during the period of validity of your course, and cannot be carried forward. ITC reserves the right to cancel specific dates if there is insufficient demand. In the event of a session having to be cancelled due to the default of ITC's suppliers, or events such as fire, flood, storm, transport failure, war or acts of terrorism, ITC will offer to re-run the session on an alternative date.

ILEX membership: ILEX requires that anyone who wishes to sit an ILEX exam or assessment must be a Student Member (or other category of member as appropriate) of ILEX. It is your responsibility to ensure that you have met this condition.

Induction day: If you cancel your booking more than four weeks before the date of your induction course your induction day fee will be refunded. If you cancel four weeks or less before the date of the induction course no refund will be given.

Internet access: It is a condition of your application that you have access to the internet so that you can access the resources on the ITC Student Area. You also need to satisfy yourself about your ability to use the web-based course resources by reference to the specification provided on our website.

Non-transferability of course: The course is not transferable to any other party.

Overseas students: If you live outside mainland Great Britain you must remit a further fee of £30 for up to five courses, purchased in a single transaction. For additional courses, add £5 per course.

Refund/Change of course: A full refund of the course fee will be given if the course materials are returned to ITC, in good condition and with postage having been pre-paid in full by you, within seven working days following the date you receive them. Thereafter, provided all materials are returned to ITC, in good condition and with postage having been pre-paid in full by you, before the expiry of a period of four weeks from the date of your course enrolment with ITC, your course fees will be refunded less an administration charge of £28 including VAT per course. Refunds will not be given after this four-week period has expired. This also applies to students wishing to change course who, in addition, will be required to pay any difference between the cost of the two courses, and the overseas postage charge where applicable.

Reinstatement: Reinstatement on your course at a reduced fee is available if your ITC course has expired and if you wish to purchase the same course again (subject to this course still being available at that time). A reinstatement fee of 50% of the fee applicable at that time will be payable. Where the original course was purchased as part of an ILEX Level 3 Certificate in Law and Practice or other discounted package, the reinstatement fee will be 50% of the full individual course fee applicable at the time of reinstatement.

Sponsoring employer: If your employer is contributing to your course fees we provide information on your course progress to your sponsor if requested.

Choosing your course

If you are working towards the ILEX Level 3 Professional Diploma in Law and Practice, the ILEX Level 6 Professional Higher Diploma in Law and Practice, or the ILEX Graduate Fast-track Diploma, you should be aware of the structure of the qualification and the rules of combination of units within it, before enrolling on any course with ITC. Course features

A full description of the course structure and resources for each unit is given on our website and in our prospectus, and you are strongly advised to read the full course information before enrolling on your course(s). All courses are valid for fifteen months from the date of enrolment. This means that you will have access to the Student Area for fifteen months and that you can submit your assignment(s) to your personal tutor (where relevant) at any time during this period.

Each ITC course for an ILEX Level 3 and Level 6 law and practice unit includes face-to-face revision support. At Level 3 this is a three-hour session, and at Level 6 it is an intensive one-day course with six hours' tuition. The cost of the Level 3 and Level 6 face-to-face revision support is included in the course fee, as long as you make your booking before the priority booking deadline (of which you will be informed in good time), and subject to paying an administration fee of £10 per session/course at the time of booking.

The dates of the revision sessions are indicated by the dots on the tables on the right. This is not a booking form and these dates are given for information only. You will be given the opportunity to attend one revision session/course during the fifteen month period that your course is valid.

As part of our plans to ensure our business is inclusive, the ILEX Group has published an Equality and Diversity Action Plan and Scheme, which is available at www.ilex.org.uk.
